James Henley

Bachelor of Business
[major in entrepreneurship and innovation]

“While still studying I got into a vacation program at KPMG, in its risk consulting division. I had little idea of what I was getting into but had an incredible experience. I took a graduate offer and now work there in a Data Analytics role. There’s no way I could’ve predicted where I am now just a few short years ago.”

Your next gen_now upgrades

Guaranteed real industry experience

At Swinburne, your education is more than reading; with our Work Integrated Learning program, it's doing. Start building your résumé with placements, internships and industry-linked projects while you study. Real industry experience is guaranteed in all our bachelor degrees. Visit swinburne.edu.au/workintegratedlearning

Professional Degrees

More than a standard bachelor degree, a Professional Degree is a premium university experience you'll graduate from having completed a 12-month full-time work placement. Not only will you apply your knowledge in the workplace, you'll be paid award rates and receive academic credit.

Double degrees

Double degrees are a great way to broaden your study experience and are highly respected by employers. Generally, they only add one extra year to a standard degree – so you could get six years' worth of study in four!

Double degrees include:

- Bachelor of Arts/Bachelor of Business
- Bachelor of Aviation Management/Bachelor of Business
- Bachelor of Business Analytics and Analysis/Bachelor of Business
- Bachelor of Business Analytics and Analysis/ Bachelor of Cyber Security
- Bachelor of Design/Bachelor of Business
- Bachelor of Engineering (Honours)/Bachelor of Business
- Bachelor of Health Science/Bachelor of Business
- Bachelor of Laws/Bachelor of Business
- Bachelor of Media and Communication/Bachelor of Business.

Pathways to a degree

UniLink diplomas

Swinburne UniLink diplomas can offer you seamless connection to a range of our related next-gen degrees – with no extra time or fees. They're a great option if you're worried about not getting the ATAR you need or you don't meet the direct entry requirements for your degree. Best of all, you could complete yours in around a year of full-time study and then merge straight into your related bachelor degree.

Certificates and diplomas

Certificates and diplomas are vocational qualifications that provide practical teaching and skills for work. Successful completion of a vocational qualification may help you to prepare for work, or progress to another qualification with advanced standing.

Scholarships

The Vice-Chancellor's Excellence Scholarship is awarded to students in recognition of academic excellence. Recipients will receive \$5000 per annum for the normal duration of their chosen degree, plus a one-off payment of \$2000 towards an international study experience.

Swinburne also offers scholarships to students from indigenous backgrounds, students suffering from financial hardship and students who have relocated from regional areas to study. For a full list of scholarships, including value and eligibility criteria, visit swinburne.edu.au/scholarships

Professional recognition

Our business courses are recognised by leading industry organisations. Graduates may be eligible for membership of a number of organisations relevant to their major area of study.
